

Mary Job

Product Manager/HowDoYou.Tech

PROFESSIONAL PROFILE

As a divergent technology enthusiast with 11 years of experience in the ICT industry, I have spent the last four years building a vibrant tech community of WordPress users in Nigeria, and going deep into WordPress technologies. I am comfortable with HTML, CSS, and a little PHP and Javascript. I am skilled at troubleshooting and retrieving useful information on the web. My colleagues say I am empathetic and articulate when dealing with novices in the tech world. I am great at breaking down complex technological issues to simple English easy for beginners to read and understand.
